

SUCCESSFUL TEACHING & LEARNING

SUPPORTING THE DEVELOPMENT OF OUTSTANDING TEACHING STYLES

PROGRAMME DETAILS

In line with the new Ofsted inspection framework, this interactive programme develops teachers' skills and understanding of how to offer outstanding teaching and learning to their pupils.

Successful Teaching & Learning enables teachers to observe lessons and reflect on their own practice and, with the support of two facilitators, become an outstanding teacher.

Designed to be collaborative and supportive with time built in to share, reflect and observe others over an extended six-week period. This programme is run in successful schools and includes:

- In depth analysis of the Ofsted framework clarifying what represents outstanding practice.
- Observing good and outstanding teaching and learning.
- Weekly focused learning walks.
- Discussing and ensuring delegates have a clear understanding of what good teaching and learning looks like.
- Looking at examples of assessment, differentiation and planning.
- Considering how to motivate pupils and facilitate independent learning in the classroom.
- Supporting delegates in behaviour management.

This bespoke programme runs over a six-week period and hosts a maximum of only 12 delegates. Sessions are held in the morning with breakfast, coffee and lunch provided. The afternoons are used for delegates to complete tasks set by the facilitators.

“ It has been one of the best, most useful courses I have attended! ”

“ Thank you for opening your school (and knowledge) to us making us better and more effective teachers ”

PROGRAMME COST:

£600 + VAT per teacher for the complete six week programme.
